

MOSSPARK AND CORKERHILL COMMUNITY COUNCIL (M3C)

Meeting Held: Monday 18th April 2016

CHAIR - ANNE MCINTYRE

VICE-CHAIR - JEANETTE HUTCHESON

SECRETARY - ELAINE MCSPORRAN

TREASURER - AVRIL GETHINS

Members in attendance: Anne McIntyre, Elaine McSporrان, Eddie Gethins, Betty Donnelly, Elsa Harper, Tommy Lindsay, Linsey Wilson, Diane Andrew and Maria Bradley

Members of the Public: Cllr Alex Wilson, MSP Glasgow Pollok Humza Yousaf, Shona McAlpine, Cllr Alistair Watson, Davie Cameron and Joanna Johnson

Apologies: Avril Gethins, Josephine Dunnachie, Pam Wilson, Jeanette Hutchison

Community Police: not present and no apologies

The minutes from the previous meeting on Monday 18th April 2016 were approved.

- Continuous reports regarding roads/area being submitted on the app for GCC.
- Meeting to take place with Lesley McGregor re MossparK Square
- Road traffic calming for MossparK Drive/Bellahouston Drive still being pursued.
- Tam Kirkwood GCC Parks Dept confirmed investigations had taken place and the subsidence may be due to old mining roads. Areas are fenced off and further investigation will take place and update will follow. No immediate danger however keep clear. Will not affect the arena area in park.
- Clean up Glasgow renamed as Environmental Task Force will provide more info this month on how things will be changing.
- Prince and Princess of Wales Hospice Chief Executive Rhona Baillie and Director of Operations Anne Hattie will be giving a small presentation at the next meeting on 20th June followed by short Q&A regarding update of hospice in Bellahouston Park.
- Funding Meeting at Rosshall was successful and all parties were awarding funding towards their projects on the evening.
- Have a list of appropriate outlets to apply for additional funding as well as DGF application from GCC.
- Facebook page now at 200+ members and proving to be a great way of communicating for residents and charities such as SW Foodbank.

Tommy Lindsay

- Attended the meeting with Alex regarding Summer Sessions.
- Complaints were listened to and agreed to improve things for this year.
- Telephone line was useless as no one could get through. This will be reviewed
- Parking will be more well managed, permits issued and barriers manned more carefully. Clunie Road was an issue and this was taken on board.
- The contract for security is still out to tender therefore hoping this will provide new and improved staffing for the events.
- Taxis were not available as no way in and out. The buses provided will be rectified as this caused chaos and possibility of these being at Ibrox.

Cllr Alex Wilson

- Will arrange a meeting with Elaine to meet Lesley McGregor after her annual leave regarding provision of items for Garden on the Square. Raised beds etc.
- Mosspark Drive is on the programme for 16/17 regeneration to have traffic calming and road surfacing. Still continuing to pursue this and a meeting being arranged with Roads Traffic Dept. They were extended an invite to CC meeting but declined so will ask again due to the importance of the issue and CC will email to support this. Continuing to raise all traffic issues which have been highlighted by CC and residents.
- A regular survey of the area is carried out to find out what needs to be done and where. Extra bins will be provided and requested some stand-alone bins at the shops to help combat the issue of litter. Some pole mounted bins have been set on fire and need replaced.
- DF concerts had a contract for 3 years which was rent free. They have 2 acts at the moment and this is likely to be all they have but no guarantee. They are happy to look into providing some funding to the area from proceeds and will be pursuing a generous and reasonable offer.

Humza Yousaf

- Suggested that there is a need to look into the situation at Corkerhill regarding the parking for the football. A general view of residents' wishes can be gathered and contact with football coach and the traffic department will help. Possibility volunteers to help with parking and monitoring it during the games. CC proposed suggesting that staggered finishes may be an option.
- At the moment legalisation regarding fines for parking on pavements has not yet been finalised. However it would not necessarily be a blanket ban and in general all communities would be considered where roads are narrow and parking on kerbs is the only option.
- Litter picking is needed around the area and have contacts to provide equipment for use on the day. There is definitely a much wider issue than at Mossbank shops and a need for regular clean ups in the community.

Alistair Watson

- Has a good long standing relationship with Andy Elliot of Pollok United and will speak to him regarding the parking issues. He will also put forward for parking bays for the residents in to allow them to park at their own place of residence. CC have suggested that it would be good to get an overall view of residents.
- Asked for a speed check in Aros Drive some years ago and has been raising issue of traffic in the area for a long time. The Traffic Management Plan is now over 40 years old and will request an update and check of the geographical area. CC would prefer to keep this to the roads causing a main concern as the budget would unlikely cover the whole community area of Mossbank and Corkerhill. Alex had already requested this previously and was following up so grateful for the extra support.

Treasurer – Avril Gethins

- There are funds of £1060.99. The church hall for April and May have still to be deducted which will leave a total of £1014.99
- Purchasing of a banner is acceptable as long as we have details of the CC and GCC on it. This would be for the school and will be to ensure safe parking and to keep the area a litter free zone. There will be other administration costs which money can cover.

The Chair closed the meeting and thanked everyone for attending.

The next meeting will take place on Monday 16th May 2016 in Mossbank Parish Church at 7.30pm.
